Greens Committee Report

The golf course maintenance crew will be back to full strength starting March 1st. One of the first items to be worked on as we start growing season, is to re-seed around the new bunkers, which did not take last year. We will then focus on eradicating the clover, which may cause some dead areas that will be seeded afterward. The area damaged in front of the 14th green has been repaired. The bridges and areas of cart paths, dangerous to carts, will be addressed in the future.

The new Yamaha cart fleet will be delivered by June!

Senior's Club Announcement

The start of the 2023 Oakhurst Senior Golf season is March 29th! Through the Senior Golf Program, Oakhurst members enjoy friendly home and away matches with most of the best Clubs in the Bay Area. This year's schedule is posted on ForeTees. The typical senior event agenda includes breakfast and/or lunch and golf at a great Club for a very reasonable price! Add in the chance to enjoy the company of senior peers from two or three other Clubs and engage in a little friendly competition (usually in a Stableford format)

Membership in the Oakhurst Senior Program is open to all male members aged 50 or over. You do not have to be a member of the Men's Club to join. Dues are currently \$50 per year, which the Senior Golf Committee uses to fund prizes and scrip. To sign up message, arcbacexec@gmail.com, your email address, GHIN, and preferred telephone number.
